WHAT IS THE NCCGA?

The National Collegiate Club Golf Association is the governing body for non-varsity college golfers.

PLAYERS

Club golfers include former high school golfers, rec players, AJGA stars, fraternity members, and academic-focused students

Average scores: 72-112

TOURNAMENTS

The NCCGA hosts 2 weekend tournaments in 28 regions each semester.

Tournaments are held at quality courses centrally located in each region.

Schools can bring up to 8 golfers to compete on a team and the top 5 scores count for the team total.

Average cost for each tournament is about \$80 for a 2-day event.

Teams pay \$300 in dues per semester (\$150 for new teams) to join.

Individuals can compete in if your college does not have a club golf team.

Michael Savitt
Duke University

"The NCCGA allows highly competitive golfers to still compete in non-varsity golf. I was worried coming into school that I wouldn't be able to still play in golf tournaments, but the NCCGA allows me to continue my passion for golf."

NATIONAL CHAMPIONSHIP

Each semester the top teams and players in each region compete to become National Champs!

Championships are held at prestigious courses around the country like TPC San Antonio, Pinehurst, Sea Island, & Firestone.

Media coverage from Golf Channel, Skrtch TV, and Global Golf Post.

OTHER BENEFITS

National support and discounts from organizations such as Srixon, Cleveland Golf, Oxford, New Balance, and more.

Job, internships, and networking for careers in golf or otherwise.

PREVIOUS TEAM CHAMPIONS

Fall 2015 - Texas

Spring 2016 - USC
